GRACE BROS. PTY. LTD.

BROADWAY, SYDNEY

CYCLOPS Improved Strollers

Larger tyres as under can be fitted to all strollers at slightly extra cost.

Strollers 2, 6 and 7 — $\frac{7}{8}$ " tyres on all four wheels.
Strollers 1 and 4 — $\frac{7}{8}$ " tyres on back wheels.
 $\frac{5}{8}$ " tyres on front wheels.

SHOWING HANDLE IN REVERSE POSITION

STROLLER No. 6 Frame made entirely of steel. Nickel plated reversible handle. Movable foot rest. Semi-elliptic springing. Suit case carrier. Padded seat with completely enclosed sides. Back also padded with 2 positions—upright and reclining, the latter being almost horizontal. *Colours:*—Enamelled blue, green or cream and fitted with either blue, green or fawn flecked canvas. *Wheels:*—7in. with $\frac{5}{8}$ in. patterned tread tyres.

STROLLER No. 6a Specifications as Stroller No. 6 with the addition of side curtains which are held in place by Press Button Fasteners and can be rolled up if not required.

With or without Hood.

STROLLER No. 1 Easy folding and lightness make this model particularly suitable to carry on tram and train. Adjustable foot rest. Enamelled blue, green or cream, with flecked or striped canvas. *Wheels:*—Back: 10in. with $\frac{5}{8}$ in. tyres. Front: 6in. with $\frac{1}{2}$ in. tyres. *Following extras obtainable:*—Folding Hood. Detachable foot rest. Head rest.

STROLLER No. 2 Frame made entirely of steel. Movable foot rest. Semi-elliptic springing. Suit case carrier. Adjustable drop back with safety locking device. Enamelled blue, green or cream, with flecked or striped canvas. *Wheels:*—7in. with $\frac{5}{8}$ in. patterned tread tyres.

STROLLER No. 4 Wooden frame. Movable foot rest. Head rest. Locking stay on frame preventing Stroller from folding when in use. Adjustable drop back with safety locking device. Enamelled blue, green or cream, with flecked or striped canvas. *Wheels:*—Back: 10in. with $\frac{5}{8}$ in. tyres. Front: 6in. with $\frac{1}{2}$ in. tyres.

STROLLER No. 7 The handle of this Stroller is permanently in the front and is designed to assist in the folding, which is remarkably easy for a Stroller of this type.

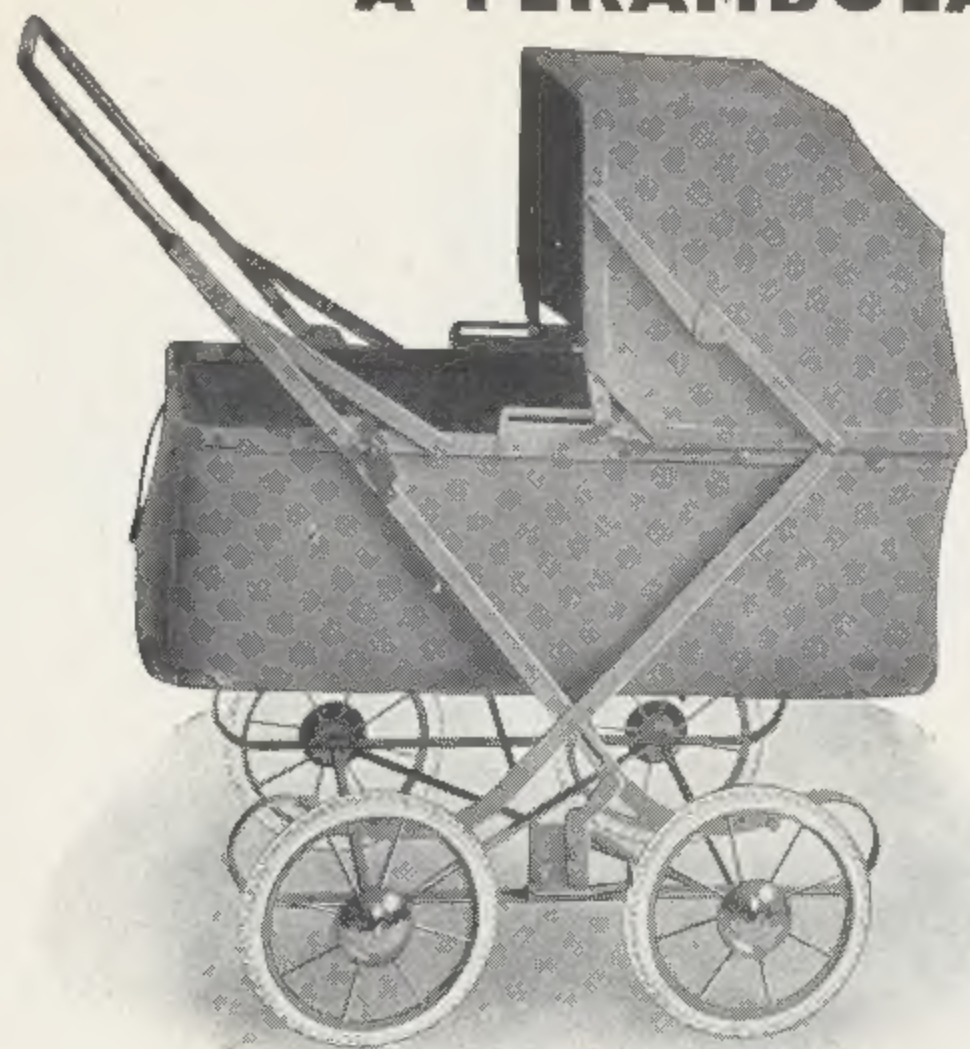

Frame made entirely of steel. Movable foot rest. Suit case carrier. Padded seat with completely enclosed sides. Back also padded with 2 positions—upright and reclining, the latter being almost horizontal.

Colours:—Enamelled blue, green or cream and fitted with either blue, green or fawn flecked canvas.

Wheels:—7in. with $\frac{5}{8}$ in. patterned tread tyres.

The **DUPLEX** Dual Purpose Folder

A PERAMBULATOR-STROLLER BY CYCLOPS

Noteworthy Features

Lightness of Construction.
Two Uses: *Pram or Stroller.*
Easily and Simply Folded.
Brake Standard Equipment.

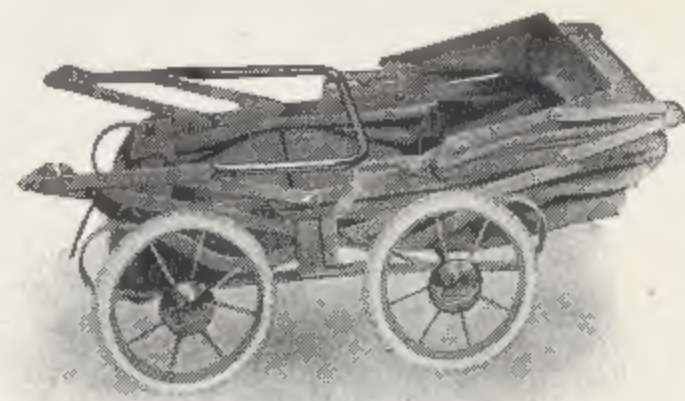

Made in Two Models:—SENIOR and JUNIOR.

SPECIFICATIONS:

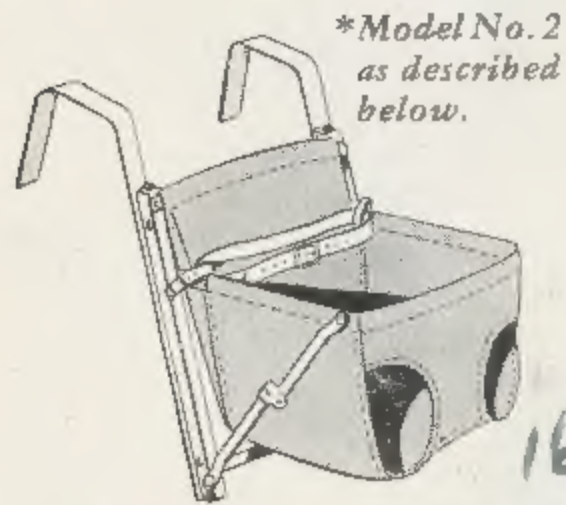

Nickel plated handle. Folding hood. Metal framework enamelled cream and fitted with either blue, green or fawn flecked canvas.

	Length	Depth	Width
Body Measurements : — SENIOR :	30 1/2 in.	10 in.	14 in.
JUNIOR :	29 in.	9 1/2 in.	13 in.
Wheels : — SENIOR :	10 in. with 7/8" tyres.	4.10.9	
JUNIOR :	8 in. with 5/8" tyres.	4.1.6	

TO FOLD. Merely loosen the wing nuts holding the handle on either side and swing back the locking pieces, then lift the front top bar carrying the canvas with the left hand and with the right hand on the handle guide to a folded position.

KIDDIES' CAR SEATS

*Model No. 2 as described below.

MODEL No. 1

Canvas Seat is padded where attached to frame to protect the little ones' legs.

MODEL No. 2

Baby simply CAN'T fall out of this bucket-type seat. Suitable for infants as young as six months.

*As illustrated above.

Baby is Safe!

Securely strapped in her "Cyclops" Car-Seat, Baby becomes a first-class passenger, taking the ups-and-downs of car travel as easily and comfortably as yourself.

A Boon To The Driver

Mother, and Father, too, think these Kiddies' Car Seats are the best idea ever! No more clutching for Baby at sharp stops or bends... two free driving hands and a peaceful mind!

Easy To Arrange

A matter of seconds to slip into position, these sturdy little folding seats make car-riding with Baby a pleasure for you both.

SPECIFICATIONS

FRAME of sturdy spring steel will stand many years of hard wear.

SUPPORTING ARMS are covered with rubber to protect upholstery of the car.

CANVAS SEAT of heavy quality material. Choice of blue or green flecked.

COMPACT SIZE when folded for storing. Folding hinges are nickel plated for long life.

BODY STRAP of stout 1 1/2 in. soft leather keeps Baby snugly in place.

Photograph shows happy arrangement of Car Seat in actual use.
